

powerCON[®] Tee Adapter

20A 250 VAC, (1) Molded powerCON[®] Blue Panel Mount to Molded powerCON[®] Grey Panel Mount with powerCON TRUE1[®] Female (Connector) Inline, #12/3 Type SJOOW Cord, 1'6", Adapter

Part Number	A5043-TRUE1C
Functions	Power
Markets	Entertainment
Connector Type(s)	powerCON powerCONTRUE1
Amperage	

Features & Benefits

- A 'plug-and-play' system with building block modularity provides adaptability and flexibility to construct thousands of unique system variations using a few basic components, greatly reducing installation time and cost
- Molded, non-conductive material construction creates a fully insulated assembly, resistant to shock, impact and corrosion ensuring years of trouble-free service
- Finished solution is compact and lightweight
- Power inlet and feed-thru use industry-standard Neutrik[®] powerCON[®] connections ensuring compatibility with existing equipment
- #12/3 AWG SJOOW cable with a rating of 20 Amps
- Feed-thru design allows for multiple devices to be supplied from a single source
- Numerous connector types are available to suit most applications

Markets Served

Motion Picture and Television Production, Theatrical, Concert, Touring, Live Events

Technical Information

Rating:	20 Amp, 125 VAC, Single Phase, 2-Pole, 3-Wire
Male Plug:	(1) Molded 20A powerCON [®] Blue Panel Mount, Black
Cable/Cord:	#12/3 SJOOW, Black
Length:	1.5'
Female Connector:	(1) Molded powerCON [®] Grey Panel Mount, Black; (1) powerCON TRUE1 [®] , Black
Weight:	0 lbs
Agency Approval:
